

Equity In Energy Pittsburgh

The Office of Economic Impact and Diversity at the Department of Energy (DOE) and the Small Business Administration (SBA) in Pittsburgh are partnering on an event in the Appalachia Region of Pittsburgh. The focus will be Supplier Diversity, outlining DOE and SBA resources that will increase interest and access to the energy economy for socially and economically disadvantaged individuals and businesses.

Join the conversation

Topics of Discussion

- Supplier Diversity
- Technical Assistance
- Workforce Development
- Opportunities

DATE

Tuesday, December 17, 2019

TIME

8:30 am - 11:30 am

LOCATION

Community College of Beaver County
1 Campus Dr, Monaca, PA 15061

U.S. Small Business Administration

The Pittsburgh Small Business Administration office is responsible for the delivery of SBA programs and services to 27 counties in western Pennsylvania. Last year, the Pittsburgh District Office assisted hundreds of people through training, counseling and business-development programs.

Equity In EnergyTM

The Equity in Energy initiative is created by the Office of Economic Impact and Diversity at the DOE.

The initiative aims to diversify the energy sector by supporting:

- Supplier Diversity
- STEM Enhancement
- Workforce Development
- Energy Affordability
- Technical Assistance.
